# TOHKON JUDO ACADEMY

## Stone Scholastic Academy

### After School Judo Program

What parents of Tohkon judo students say:

*“Our children seemed to take to it right away. The sensei invested in their character and established mentoring relationships with our children. Values such as friendship, respect for authority, perseverance, humility, courage, faith and more were intrinsic to the practice sessions with the sensei and later in competition.”*

— Mr. & Mrs. Craig Kittaka

*“Our 3 children have been practicing Judo for several years and just love Judo practice and the instructors at Tohkon Judo. Since they began training we have noticed that they are more well behaved, have a greater sense of themselves and show greater respect to friends and family members. Our son and oldest daughter compete in local and National Judo tournaments and look forward to each training session.”*

— Mr. & Mrs. Mark Belden
